

OFFICIAL LETTER OF CERTIFICATION

COUNCIL FOR RESPONSIBLE SPORT - CHAMPIONS FOR A HEALTHIER WORLD

5/1/2025

The Council For Responsible Sport would like to commend the remarkable sustainability initiatives undertaken by *Fundación Natura Carrera Verde*, *running events* for the **past ten years**. Your dedication to environmental stewardship and community engagement sets a commendable standard in the realm of sustainable events.

Key Highlights:

- **Carbon Neutral Certification:** Carrera Verde has achieved carbon neutrality by meticulously measuring and offsetting its carbon footprint, exemplifying a commitment to climate responsibility.
- **Reforestation Efforts:** The initiative to plant a native tree for each registered runner has led to the restoration of local forests, with over 18,000 trees planted in 2019 alone. <https://campocapital.com/en/excited-to-go-green-with-campo-capital-at-carrera-verde/>
- **Community Legacy Projects:** Beyond the race, Fundación Natura has implemented programs that benefit local communities, including environmental education and sustainable development projects.
- **Sustainable Event Planning:** Comprehensive planning ensures minimal environmental impact, from waste management to the use of sustainable materials in event merchandise.
- **Environmental Certifications:** The event has obtained certifications recognizing its adherence to environmental standards, underscoring its commitment to sustainability.

These initiatives not only contribute to environmental conservation but also foster a culture of sustainability among participants and the broader community.

We are inspired by your efforts and look forward to supporting and participating in future events that champion environmental responsibility.

Congratulations to everyone involved on behalf of the Council for Responsible Sport! We are deeply grateful for the opportunity to partner with you to set a new standard for responsible practices and raise awareness within the event community.

Sincerely, *Michelle Sandquist*
